Infection by Disease Germs.

A cut, scratch or wound offers a nest ing place for disease germs, and neglect to immediately apply an antiseptic may result seriously. Blood poisoning might follow. The new remedy Cadum is a reliable antiseptic that prevents infection, kills the disease germs, stops the irritation at once, and causes the skin to heal quickly. Cadum should be kept in every home for use in all such emergencies, and for prompt application to skin troubles of adults and infants. Of druggists, 10c and 25c per box.
